I ran as fast as I could. She was right behind me. I didn't want to pay attention to the car that was now coming at her fast. Once I got to her, I picked her up and ran back inside as fast

as i could. I got back inside and put ashley in her room. She sat there as still as she could. She started singing again.

"1, 2, Melatonin is coming for you  
3, 4, baby, won't you lock the door?  
5, 6, I'm done with it  
7, 8, It's getting late, so close your eyes, sleep the days.  
9, 10, Never wanna see you again  
11, 12, i pull off black so well."

And with those final lyrics recited she fell asleep. Knocked out in seconds. Don't ask me why she's obsessed with Melanie Martinez lyrics. It's the only way she communicates. As i walked out the door, she spoke the first words she's ever said to me that's not a song lyrics. It shocked me.

"Miss Allison."

"Yes Ashley?"

"Thank you Miss Allison."

"Anything for you Ashley."

THE NEXT MORNING.

"Hey girlie."

"Open your walls?"

"Play with your dolls. Ashley it's time for your yearly check up."

"Do i have to?"

"Do you want to get out of here Ashley?"
